

# LIONS DISTRICT 35F

Volume 1, Issue 6

JANUARY 2009

## Notes from District Governor Norm

Well Lions, here it is the start of a New Year and things are still going slowly. First, let me send you heartfelt wishes that everyone in District 35F has a happy, healthy, and blessed 2009.

Jessie and I are working on a new club in Jefferson County. It will take a while before it is a full-fledged Club

and can receive its Charter but there is a lot of interest there.

As you know, our District is way down on membership. If any of you want help to make your club grow, or know where we can start a new club, let me know and we will come and help you get things going. It's not as hard you think. We had several days with PDG Ed Pick, and we learned a lot and we would love to share our experience and knowledge. Also, he or another Lion in this program will come to your area and hold a Guiding Lion Workshop (8 or more attendees requested). He will go out and call on businesses with you to start a new club or clubs. LCI has set up this program to add new clubs and it is working.

District 35 F does not have a Vice Governor (Nancy Cummins has moved to Illinois), and no one to be

your Governor next year. Come on folks, there must be someone out there who is qualified and wants to be the big kahuna in the District. It doesn't pay a lot, and sometimes you aren't thanked much, but it is a lot of fun and you get to make some decisions for all the Lions in Florida, and meet and make many good friends. There has to be SOMEONE who likes to work hard and have fun too??!!

The weekend of January 8th - 11th, we will be in Punta Gorda for the Winter Conference, and then we will see all the club Presidents and Secretary's and other Lions at the Cabinet meeting, January 17th in Marianna. Have a wonderful New Year and enjoy being a Lion and making miracles happen.

Some of you remember PID Dave Stoufer from the Council Meeting in Tallahassee last January. Well he will be in Tallahassee from Jan 19-22, and he has agreed to speak to us again. We do not have all the details set yet but as soon as they are, we will email everyone so you can come. It will be well worth the trip.

Yours in Lionism,

District Governor Norm
